Dear Douglas.

I am glad you are collecting autographs. I used to do so myself.

As far as what you should do when you grow up, I think the really important thing is to do something which you enjoy and which gives you a feeling of contributing to the things which you believe. That is why I have never regretted going into the Army.

With every good
Wish to you and yours.

Sincerely
Kerry Wallace

Dear Lt. Gen. Walters,

I am collecting autographs and would be very happy if you added on to my collection! I am eleven years old.

Would you recommend a political life for me?

I thank you for your time!

Yours truly,
